“Preserving Pro-Life Values and Religious Freedom in 2021”

How do we work to preserve pro-life values, and our religious freedom that is delineated on the First Amendment of the constitution in 2021? Voter fraud and riots by forces opposed to our republic seem widespread, while peaceful assemblies of Christians and patriots are sometimes threatened by governmental officials overstepping their constitutional authority. Dan is a veteran fighter for Life, Liberty, and our country’s Judeo-Christian values. He has logged more than 5000 hours of sidewalk counseling at abortion facilities and has personally witnessed more than 600 babies saved by counseling of mothers. He is also a fourth-degree Knight in the Knights of Columbus. He works in Madison to promote pro-life legislation and has fought to defund Planned Parenthood. He will discuss what is happening in Madison, and Washington, as well as the coming Spring elections.
